- Must have a positive attitude and be a team player

Rarebreed Veterinary Partners is a purpose-driven team that places talent first by supporting professionals to thrive in our industry and empowering hospital teams to provide exceptional care for pets and their owners. We pride ourselves on going the extra mile to create exceptional work experiences for our hospital teams. We focus on providing our hospitals with the best culture, tools, and support to allow the staff to focus on what they love most: caring for our animal companions.

Joining our fun and team-first atmosphere comes with a level of support that's hard to find anywhere else. Everything we do is with purpose – down to the way we invest in our people and create long-overdue change in the industry. We're hyper-focused on supporting our professionals, so they can focus on bringing the gold standard of medicine to our patients and their families. When it all comes together with the joy of working with pets, our career opportunities are as exhilarating as climbing a toy mountain of a gazillion new squeaky balls.

Employment will require the successful completion of references and background check.

Rarebreed Veterinary Partners provides equal employment opportunities to all employees and applicants for employment in all job classifications without regard to race, color, religion, age, mental disability, physical disability, medical condition, gender, sexual orientation, genetic information, ancestry, marital status, national origin, veteran status, and other classifications protected by applicable state and local non-discrimination laws.
