

## **Veterinary Technician**

### **Job description:**

Randolph Regional Veterinary Hospital is looking for an enthusiastic and self-motivated member to add to our team. If you are a passionate, friendly, reliable individual with previous work experience as a technician then this is the place for you. Applicants should be proficient with basic technician skills, anesthesia, and client communication. We offer a four day work week, no weekends or late evenings. Compensation based on experience.

**Pay:** \$20.55 - \$26.00 per hour

Job Types: Full-time, Part-time

### **Benefits:**

- Employee discount
- Flexible schedule
- Paid time off
- Professional development assistance
- Wellness bonus
- Uniform allowance
