

# Seeking Licensed Veterinary Technician

✨ Love where you work. Grow while you're there. Go home happy. ✨

Newport Veterinary Hospital is seeking a Licensed Veterinary Technician to join our close-knit, Fear Free–certified team in beautiful Newport, Vermont. If you're passionate about patient advocacy, teamwork, and practicing high-quality medicine without burnout, we'd love to meet you.

## Why Newport Veterinary Hospital?

We believe great medicine starts with a supported, respected, and empowered team. Our culture is built on collaboration, compassion, laughter, and continuous learning. We work hard—but we also protect work-life balance and genuinely enjoy coming to work together.

We are a Fear Free Certified Practice, committed to low-stress handling, patient-centered care, and emotional wellbeing for pets *and* people.

## What You'll Do

As a Licensed Veterinary Technician at NVH, you'll play a vital role in patient care and client education, including:

- Providing Fear Free, low-stress nursing care
- Assisting with exams, diagnostics, anesthesia, dentistry, and procedures
- Monitoring anesthesia and supporting surgical patients
- Performing laboratory work and patient treatments
- Educating clients with empathy and clarity
- Collaborating closely with doctors, technicians, assistants, and CSRs

We value technician utilization and trust our LVTs to work at the top of their license.

## What We're Looking For

- Licensed Veterinary Technician (or eligible for licensure in Vermont)
- Passion for Fear Free or low-stress handling (Fear Free certification encouraged—we support it!)
- Strong communication and teamwork skills

- A positive, growth-oriented mindset
- Desire to be part of a supportive, fun, and respectful workplace

## What We Offer

### An Amazing Team Culture

- Supportive leadership and collaborative environment
- Fun, positive workplace that values kindness and humor
- Strong emphasis on work-life balance

### Personal & Professional Growth

- Continuing education support
- Fear Free training and certification
